

# 5<sup>th</sup> Meeting on Gravitational Wave Science in Scandinavia (15-16 May 2025)

## FINDING THE CONFERENCE VENUE

Venue: **The University of Copenhagen South Campus - Auditorium: 23.0.49**

Address: **Emil Holms Kanal 6, 2300 Copenhagen S**

Interactive map available here: [Southern Campus – Københavns Universitet](#)

If you arrive with the metro, it is a short walk across campus to get to the auditorium. Please go to building 23/24. The auditorium is on the ground floor.

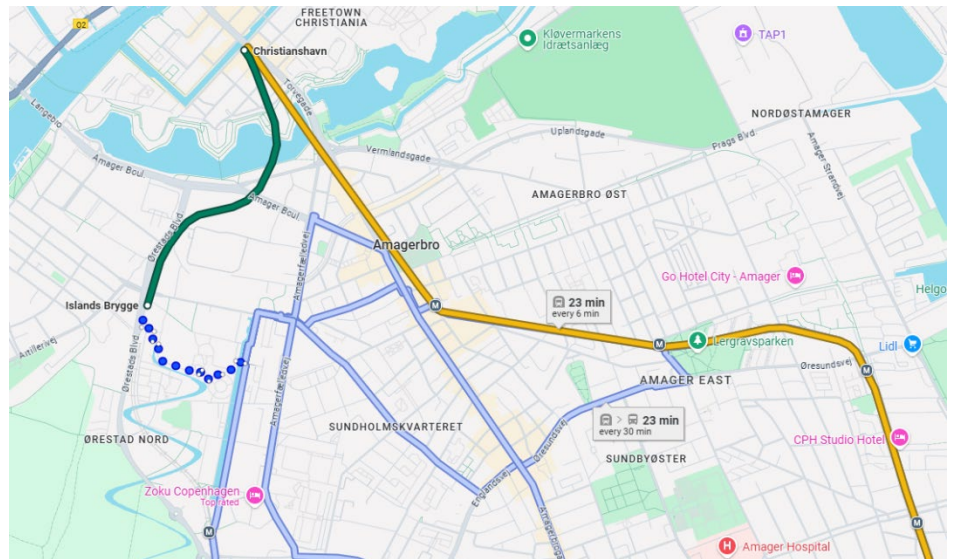

The reception Thursday afternoon will be held in building 7C, and we will take the group photo outside on the way to the reception area (please see map above).

## FINDING THE VENUE FROM THE AIRPORT

### METRO

The airport is at the end of the M2 [Metro line](#) which travels directly into central Copenhagen. You can take the metro from the airport station, Lufthavnen, to the Christianshavn station.

Then change to the M1 Metro line heading to Vestamager and get off at **Islands Brygge** station, then take a short walk to the venue (see map above).

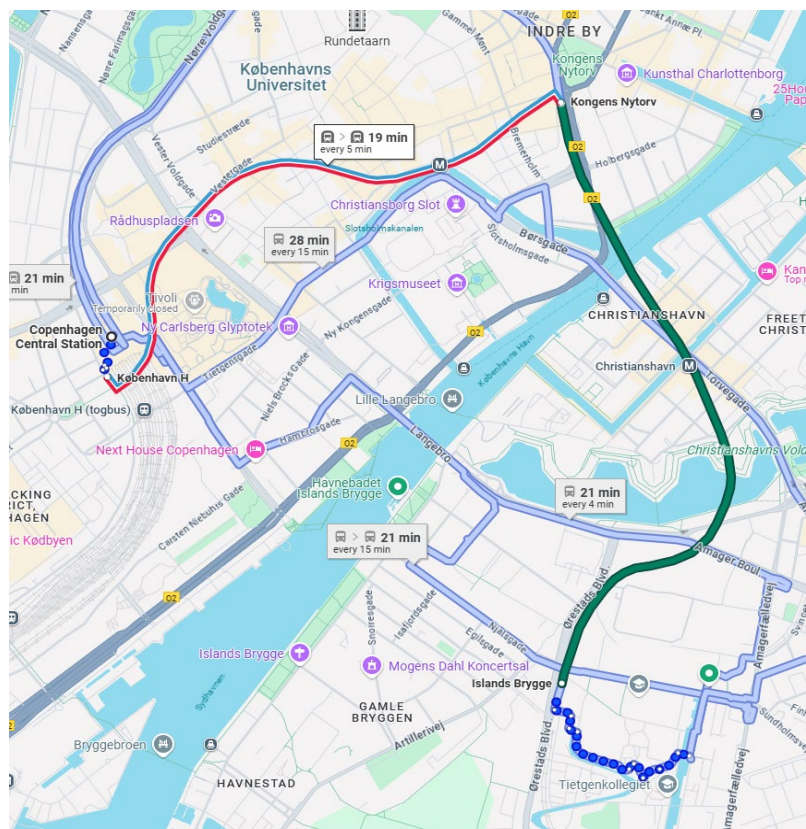

## FINDING THE VENUE FROM THE CENTRAL TRAIN STATION

### METRO

Take the M3 Metro line from Copenhagen Central Station to Kongens Nytorv station.

Then change to the M1 line towards Vestamager and get off at **Islands Brygge** station, then take a short walk to the venue (see map above).

You can buy Metro and bus tickets using your smart phone via the official DOT Tickets app; see the [DOT \(Din Offentlige Transport\) page](#) for more information.

All three metro lines are in service 24/7 with intervals of 2-6 minutes between each train depending on the time of day. Friday and Saturday night (after 01:00), trains arrive with a 7-15 minutes interval and a 20 minutes interval after midnight on weekdays (Sunday through Thursday).
